

January 2006

Happy New Year! Welcome to the first [Communication Arena](#) update for 2006.

Editor's Focus

We begin the year with an [Editor's Focus](#) from David L. Paletz, editor of *Political Communication*. David discusses the journal's recent issues and its commitment to publishing the latest research in the connection between politics and communication. Specially selected [sample articles](#) from the journal are available to view for a limited time through the Arena. We are also still offering a special introductory offer on the [Journal of Intercultural Communication Research](#), which is new to Routledge in 2006.

WSCA Convention - Cherishing (Our) Time (Together)

The [Western States Communication Association](#) is holding its annual convention in Palm Springs, California next month (17-21 February). The theme is "Cherishing (Our) Time (Together)" and Routledge will be present as the publishers of the Association's journals, *Western Journal of Communication* and *Communication Reports*. Pay us a visit at the exhibition stand to receive 10% off all journals on display. Further details on the convention are available through the [Arena](#).

An added extra?

Is there something you would like to see on the Communication Arena that we do not currently feature? We would like to hear your views on the website as to how we can improve or add to it. Please email your suggestions to: commarena@tandf.co.uk.

Kind regards
