

Communication Newsletter

August 2007

This month visit the [Communication Arena](#) to read more about:

- A new Routledge Communication journal for 2008. The [Chinese Journal of Communication](#) is a new venture of scholarly publication aimed at elevating Chinese communication studies along theoretical, empirical, and methodological dimensions, while contributing to the understanding of media, information, and communication phenomena around the world. For more information visit the [Editor's Focus](#).
- View the [Information, Communication & Society](#) webcast based on the June 2007 article 'Celebrating heterogeneity?: A survey of female ICT professionals in England'. For links to the webcast and free access to the article visit the [News section](#).
