

Communication Newsletter - February

Dear Mr Kanyinga

Welcome to the latest edition of the Communication Newsletter. This month visit the [Communication Arena](#) to find out about:

- **NCA Members Benefit 2009**

During 2009 members of the National Communication Association can elect to receive access to the electronic version of four titles published by Routledge, Taylor & Francis including **Chinese Journal of Communication**, **Journal of Family Communication**, **Health Communication**, and **Feminist Media Studies**.

[Activate your online access today.](#)

- **Editors Elect Now Inviting Submissions**

From 2010, three of the National Communication Association titles will have new Editors. These Editors Elect are now accepting submissions for their journals, to be published from 2010 onwards, and would like to share their new editorial policies with you.

How well do voluntary organisations perform on the web as democratic actors? Towards an evaluative framework

- Eleanor Burt and John Taylor summarize and discuss their article 'How well do voluntary organizations perform on the web as democratic actors?' which appears in the iCS Journal. The article develops and sets out an analytical framework through which an evaluation can begin of whether and how voluntary organizations are using the Web to support and enhance their engagement along these three democratic dimensions.

- **Electronic News - Call for Manuscripts**

Electronic News is a quarterly journal devoted to advancing knowledge and understanding of news as disseminated through electronic media platforms. The journal invites submissions of original research that examine the content, practice, and administration of radio, television, the internet, and related areas.

For full information on submitting a manuscript, please [click here](#).

- **Journal of Family Communication - Call for Manuscripts**

The ***Journal of Family Communication*** is a quarterly journal that publishes articles on all aspects of communication within and about families. In addition to empirical reports, theoretical essays, and review essays, the journal includes articles pertaining to applied family communication, family communication pedagogy, and reviews of other scholarly and teaching resources.

For full information on submitting a manuscript, please [click here](#).

- **Books**

For information about key Routledge Communication books, including **Political Communication in Asia** and the **Global Public Relations Handbook**, visit the [Books section](#).
